

DISPOSITION AGREEMENT

THIS AGREEMENT, made and entered into the _____ day of _____, 1965, by and between BOSTON REDEVELOPMENT AUTHORITY, a public body politic and corporate, created pursuant to Chapter 121, Section 26C, of the Massachusetts General Laws, (the "Authority"), and BLUE HILL CHRISTIAN CENTER, INC., a Corporation organized and operated under the provisions of Chapter 130 of the General Laws of Massachusetts, and having a place of business at 288 Blue Hill Avenue, Boston, Massachusetts, (the "Redeveloper").

ARTICLE I - DEFINITIONS

Section 101: Defined Terms.

(a) "The Property": approximately 20,249 square feet of vacant land located at Quincy Rear Lot A, Ward 13, Parcel 720, Boston, Massachusetts.

(b) "Plans and Specifications": the drawings, sketches, and plans and specifications attached hereto as Exhibit A, showing the general plan, dimensions, materials, methods, and equipment to be employed in accomplishing the improvements. "Improvements": the construction, repair, and improving to be accomplished by the Redeveloper pursuant to the Plans and Specifications.

(c) "Closing Time": the time at which the deed conveying the Property to the Redeveloper is delivered, which shall occur at _____ O'clock _____ M. on _____, 1965. "Closing Place": the Authority's Office, at 11th Floor, City Hall Annex, Boston, Massachusetts, or such other place as is mutually agreed upon.

ARTICLE II - TRANSFER OF THE PROPERTY AND PAYMENT THEREFOR

Section 201: Covenant of Sale. In consideration of the covenants and agreements contained herein, and subject to all of the terms and conditions hereof, the Authority covenants and agrees to sell and convey, at the Closing Time and Place, by quitclaim deed, title to the Property, for which a title insurance policy free of exceptions which would preclude mortgage financing may be purchased, and the Redeveloper covenants and agrees to so purchase the Property.

Section 202: Closing Costs and Adjustments. The Redeveloper shall pay the cost of any Federal or State documentary tax stamps which may be required and the cost of recording the deed. Taxes, charges, or assessments allocable with respect to any period after delivery to the Redeveloper of a deed shall, to the extent required by law, be payable by the Redeveloper at the Closing Time.

Section 203: Default by Authority. Should the Authority be unable to give title in accordance with the provisions of Section 201 above or to make conveyance and deliver possession of the Property as hereinbefore in this Agreement provided, then, all obligations of the parties hereunder shall cease and this Agreement shall be void and the parties shall be without recourse thereunder, unless the Authority shall elect to use reasonable efforts to remove any defect in title or to deliver possession as herein agreed, as the case may be, in which event the Authority shall give written notice thereof to the Redeveloper at or before the time for the performance by the Authority hereunder, and thereupon the time for the performance by the Authority shall be extended for a period of ninety (90) days; provided, however, that the Redeveloper shall have the election, either at the original or any extended time for performance, to accept such title as the Authority can deliver to the Property. If at the expiration of the extended time the Authority shall be unable to give title in accordance with Section 201 or to make conveyance or to deliver possession

as in this Agreement provided, then, all obligations of the parties shall cease and this Agreement shall be void and the parties shall be without recourse. Acceptance by the Redeveloper of a deed conveying title in accordance with the provisions of Section 201 shall be deemed a full performance and discharge of every agreement and obligation herein contained, except such as are, by the express terms hereof to be performed after the delivery of such deed.

ARTICLE III - CONTROLS UPON REDEVELOPMENT

Section 301: Commencement and Completion of Construction. The Redeveloper shall begin construction of the improvements within thirty (30) days after conveyance hereunder, shall diligently prosecute such construction to completion, and shall complete such construction within 120 days after such conveyance.

Section 302: When Improvements Completed. The Improvements shall be deemed incontestably completed upon the issuance of a Certificate of Completion, which the Authority will furnish the Redeveloper promptly after completion thereof. Such certification shall be a conclusive determination of termination of the obligations of the Redeveloper, its successors and assigns, to construct the improvements, but shall not constitute evidence of satisfaction or of any obligation of the Redeveloper to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance the improvements. Should the Authority refuse or fail to provide such certification, it shall, within thirty (30) days after written request has been submitted to the Authority at a meeting, provide the Redeveloper with a written statement, indicating in what respects the Redeveloper has failed to complete the improvements and what measures will be necessary, in the opinion of the Authority, in order for the Redeveloper to obtain such certification.

Section 303: Conditions of Use.

(a) The Redeveloper, for itself and its successors and assigns, covenants, promises and agrees:

- (1) There shall be no discrimination upon the basis of race, creed, color, or national origin in the sale, lease, use, or occupancy of the Property, or in connection with the employment or application for employment of persons for the construction of the improvements.
- (2) All state and local laws in effect from time to time forbidding discrimination or segregation by reason of race, religion, color or national origin in the sale, lease, use or occupancy of the Property, shall be complied with.

(b) The covenants in subsection (a) above shall run with the land, and be contained or incorporated by reference in any instruments from the Authority to the Redeveloper and in any instruments from the Redeveloper, its successors and assigns, conveying the Property or any part thereof or interest therein and shall be expressed therein to be covenants running with the land. The United States shall be deemed a beneficiary of, entitled to enforce said covenants, both for and in its own right and also to protect the interests of the community and other parties, public or private; in whose favor or for whose benefit the covenants have been provided.

ARTICLE IV - TRANSFER AND MORTGAGE OF REDEVELOPER'S INTEREST

Section 401: General Terms Relating to Transfer of Redeveloper's Interest. The Redeveloper agrees, prior to the completion of the construction of the improvements, not to make, or suffer to be made, any assignment or any manner of transfer of the Redeveloper's interest in the Property or any portion thereof or any interest therein or in this Agreement, except with the prior written consent of the Authority. The Redeveloper agrees, during a period of ten (10) years immediately following the date of conveyance hereunder, to give the Authority prompt notice of any intention of transfer, assign or convey, voluntarily or involuntarily, any such interest, and hereby grants the Authority the right, notwithstanding the provisions of Sections 403 and 709 below, exercisable for a period of thirty (30) days after said notice by the Redeveloper, to purchase the Property, at its then fair market value.

Section 402: Mortgage of Property by the Redeveloper. Notwithstanding any other provisions of this Agreement, the Redeveloper may encumber, pledge, or convey its right, title and interest in the Property or any portion thereof by way of bona fide mortgages to secure the payment of any loans obtained by the Redeveloper to finance the development, construction, furnishing, repair or reconstruction of any of the improvements; provided, however, that the Redeveloper shall give prior written notice to the Authority of any intention to exercise its rights under this Section and shall require (except in the case of an FHA insured mortgage) the inclusion in the mortgage instrument of a provision making the mortgagee, in the event of foreclosure prior to completion of the improvements, subject to the terms and provisions of this Agreement.

Section 403: Rights and Duties of Mortgagees upon Acquisition of the Property. If a bona fide first mortgagee, through the operation of its contract to finance construction of the improvements, acquires title to the Property prior to the completion of the improvements, the mortgagee shall, with respect to the property so acquired, at its option: (1) complete construction in accordance with the Plans and Specifications and comply with the provisions of this Agreement; or (2) sell, assign, or transfer, with the prior

written consent of the Authority, title to a purchaser, assignee or transferee who shall expressly assume all of the covenants, agreements, and obligations of the Redeveloper under this Agreement, by written instrument satisfactory to the Authority; or (3) reconvey title to the Authority, subject to the provisions of Section 601, and the mortgagee shall be entitled to the amount of the then outstanding indebtedness secured by the mortgage as of the date on which he acquired title (whether by foreclosure or otherwise) in lieu of the payments made to discharge an encumbrance under Section 601.

ARTICLE V - INSURANCE

Section 501: Insurance Coverage. So long as no Certificate of Completion has been issued with respect to the improvements, the Redeveloper shall, during all periods during which the Redeveloper is subject to such risks or hazards, keep all of the insurable buildings and other property and equipment on the Property insured by fire and extended coverage insurance and such additional extended coverage insurance as is commonly carried on similar property and equipment in the City, in amounts sufficient to comply with the co-insurance clause applicable to the location and character of the property or equipment, and, in any event, in amounts not less than eighty (80) per cent of the current fair market value thereof. All such insurance shall be by standard policies, obtained from financially sound and responsible insurance companies authorized to do business in Massachusetts, and there shall be attached to such policies a clause making the loss payable to the Redeveloper and any mortgagee as their respective interests may appear, and a clause providing for ten (10) days notice to the Authority prior to cancellation or termination.

Section 502: Redeveloper's Obligations to Restore and Reconstruct. Whenever any improvement, or any part thereof, constructed on the Property, shall have been damaged or destroyed prior to the issuance of a Certificate of Completion, the Redeveloper shall proceed promptly to establish and collect all valid claims which may have arisen against insurers or others based upon any such damage or destruction, and to use the proceeds to promptly and fully repair or reconstruct the improvements, to the extent that such insurance money and other proceeds may permit, to a condition at least comparable to that existing at the time of such damage or destruction. Excess proceeds shall be retained by the Redeveloper, subject to the rights of any mortgagee. In the event that any of the provisions of this Article V conflict with applicable FHA insurance requirements, including requirements concerning the disbursement of insurance proceeds, the FHA requirements shall govern. If the commissioner of the FHA succeeds to the rights and interests of the Redeveloper, the provisions of this Article shall not apply to the FHA.

ARTICLE VI - RIGHTS, REMEDIES, AND PROCEDURES UPON BREACH BY REDEVELOPER

Section 601: Consequences of Breach. In the event of a default by the Redeveloper prior to issuance of a Certificate of Completion, the Authority shall in writing notify the Redeveloper of such default. The Redeveloper shall thereupon have thirty (30) days in which to cure, failing which, subject to any mortgages permitted hereunder, the Redeveloper shall promptly transfer possession of, and reconvey the Property to the Authority, and the Authority shall have the right to re-enter and take possession and to terminate the estate of the Redeveloper and re-vest such estate in the Authority for breach of condition subsequent. In the event that the Redeveloper or a mortgagee reconveys to the Authority pursuant to this Section 601, Section 204, or Section 403, the Authority shall use its best efforts to resell the Property, ~~as soon and in such manner as it shall find feasible and consistent with the objectives of the Plan, to a qualified and responsible party, who will assume the obligations of the Redeveloper hereunder.~~ The proceeds of such resale shall be used:

first to reimburse the Authority for all costs and expenses, including the salaries of Authority personnel in connection with the recapture, management and resale of the Property and all administrative and overhead costs in connection therewith; next to pay any expenditures made or obligations incurred with respect to the making or completion of improvements; next to pay all taxes, payments in lieu of taxes, public charges and other sums owing to the City or the Authority with respect to the Property up to the time of such resale; next to discharge any mortgages and other encumbrances or liens existing or threatened on the Property; and finally to pay any amounts otherwise owing to the Authority from the Redeveloper;

and the balance if any to reimburse the Redeveloper for an up to the amount expended by it in the purchase and improvement of the Property. Any balance remaining after reimbursement to the Redeveloper shall remain the property of the Authority.

In addition to the other remedies hereinabove provided in this Section 601, upon such failure by the Redeveloper to cure under this Section, the Authority may pursue any additional rights and remedies, including such actions as it may deem advisable, as well as proceedings to compel specific performance, to which it may be entitled, and may in its sole discretion terminate, by written notice to the Redeveloper, any or all of its obligations to the Redeveloper hereunder.

Section 602: Notice of Breaches to Mortgagees. In the event that the Authority, pursuant to Section 601, gives written notice to the Redeveloper of a default, the Authority shall furnish a copy of the notice to each of the mortgagees of the Property, known to the Authority, for which purpose the Redeveloper shall at all times keep the Authority provided with an up-to-date list of names and addresses of such mortgagees.

Section 603: Mortgagee May Cure Breach of Redeveloper. In the event that the Redeveloper receives notice under Section 601 of a default, and the default is not cured before the expiration of the thirty (30) day period, the holders of first mortgages may cure upon giving the Authority written notice of an intention to do so within fifteen (15) days after the expiration of the thirty (30) day period, or within thirty (30) days after such holder receives notice of such failure, whichever period is longer. The provisions of this Section 603 shall not, however, constitute a limitation on the Authority's power to resell under Section 601 unless the mortgagee has notified the Authority of its intention to cure as in this Section provided. Anything in this Agreement to the contrary notwithstanding, should any of the improvements be covered by a mortgage permitted under this Agreement, the mortgagee shall not be obligated to complete the improvements contemplated in such mortgage transaction, nor need it guarantee their completion. In case of any default by the Redeveloper in the construction of the improvements, the mortgagee shall have the option of not completing the improvements or causing completion in accordance with the provisions of this Agreement, except that the time limits established hereby shall in that case be reasonably extended. If such a mortgagee shall assign or transfer his interest in a parcel, the instrument of assignment or transfer shall contain a covenant, running with the land, requiring the grantee or any successor thereof to perform the construction of the improvements, except that the time limits established hereby shall be extended as may be reasonably necessary.

Section 604: Rights and Remedies. All obligations, rights, and remedies hereunder shall be cumulative and no reference to one obligation, right or remedy shall be construed to limit another obligation, right or remedy. If any party shall fail to comply with or shall violate any of the provisions of this Agreement, the other party may institute such actions and proceedings as may be necessary to compel specific performance and payment of all damages, expenses and costs. Neither these remedies nor any remedy more particularly described in this Agreement shall be exclusive unless specifically so described.

ARTICLE VII - MISCELLANEOUS PROVISIONS

Section 701: Effect of Invalidity of Particular Provisions. If any provision of this Agreement is held invalid, the remainder shall not be affected thereby if such remainder would then continue to conform to the requirements of applicable laws, and of the Plan.

Section 702: Covenants to be Enforceable by Authority. Any covenant herein contained which is expressed to be a covenant running with the land shall be contained in any instrument of conveyance relating to the Property and shall be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by, the Authority (and as provided in Section 304 above, the United States) against the Redeveloper (including its successors and assigns to or of the Property or any part thereof or any interest therein).

It is intended that the Authority shall be deemed a beneficiary of such covenants both for and in its own right and also for the purposes of protecting the interests of the community and the other parties, public or private, in whose favor or for whose benefit such covenants have been provided, and such covenants shall be in force and effect, without regard to whether the Authority has at any time been, remains or is an owner of or in possession of any land to, or in favor of, which the covenants relate. The benefit of such covenants running with

the land which are contained in any instrument of conveyance relating to the Property or any portion thereof shall be enforceable only by the Authority and those holding title to an interest in such parcel, and not be transferees of other land owned by the Authority in the area covered by the Plan.

Section 703: Parties Barred from Interest. No member of the Congress of the United States of America shall enjoy or acquire, directly or indirectly, any benefit or right provided for hereunder or arising herefrom; and, no member, official or employee of the Authority shall have any personal interest, direct or indirect, in this Agreement or the Redeveloper, nor shall any such member, official or employee participate in any decision relating to this Agreement which affects his personal interest or the interests of any corporation, partnership, trust or association in which he is, directly or indirectly, interested or a beneficiary. No member, official or employee of the Authority shall be personally liable to the Redeveloper or any successor in interest in the event of any default or breach by the Authority or for any amount which may become due to the Redeveloper or to its successor or on any obligations under the terms of this Agreement, or in any other event arising hereunder absent active malfeasance or willful fraud. After the date hereinabove first written, the Redeveloper will not, without a prior finding by the Authority that such action is consistent with the public interest, employ in connection with its obligations under this Agreement, any person who ~~has participated in the planning or execution of the Plan or the Washington Park Urban Renewal Project and who is named on any list which may be furnished by the Authority to the Redeveloper as having so participated in planning for the area which includes the Property.~~

Section 704: Agreement Binding on Successors and Assigns. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the respective successors and assigns of the parties hereto and to any subsequent grantees of the Property or any parcel thereof.

Section 705: Amendments. This Agreement may be amended only by a written document, executed on behalf of the parties hereto by their duly authorized representatives.

Section 706: Approvals and Notices. Except as otherwise specifically provided, whenever approvals, authorizations, determinations, satisfactions, waivers, certifications or notices are required or permitted, they shall be effective and valid only when given in writing, signed by a duly authorized officer of the Authority or Redeveloper and sent registered or certified mail, postage prepaid, to the principal office of the party to whom it is directed, which is as follows:

Redeveloper - 288 Blue Hill Avenue, Boston, Massachusetts
Authority - City Hall, Boston, Massachusetts

The parties shall promptly notify each other of any change of their respective addresses set forth above.

Section 707: All Agreements Contained in this Instrument. The terms and conditions of this Agreement, including the Exhibits hereto, shall constitute all of the terms and conditions that shall be required by the parties of one another without reference to any other instrument.

Section 708: Obligations to Continue. Except as to obligations to be performed at or prior to the time of closing of the sale and conveyance of title to and delivery of possession of the Property, the provisions of this Agreement shall survive the time of closing and the sale and conveyance of title to and the delivery of possession to the Redeveloper, but shall not survive issuance of the Certificate of Completion except to the extent stated in the deed, the form of which is attached hereto as Exhibit B and hereby made a part hereof, and which the parties agree shall be used for conveyance of the Property hereunder.

IN WITNESS WHEREOF, on the day and year first above named, the parties hereto have caused this Agreement in five counterparts to be signed, sealed, and delivered by their duly authorized officers, respectively.
